

# RCA INSTALLATION

## HDTV COMPONENT VIDEO WITH DIGITAL AUDIO

### **4RCA Single-CAT5e/RJ45 Extender Kit**

SKU: RCA4AV-C5E

Extends component video plus digital audio up to 92 meters (300ft) using CAT5e/RJ45 cable. Features 110-type rear punchdown connector and bi-directional extenders for fail-safe in-wall installations.

Component video provides Y/Pb/Pr 1080i @ 164ft & 720p @ 246ft for HDTV while RCA/SPDIF digital connection supports multi-channel audio.

Includes decora-style extender pair, mounting wallplates & screws.

## **LET US HELP YOU GET THE CONTRACT**

We understand the demands and needs of installers who value amazing products, service, and prices. This is the reason we are proud to introduce our lineup of new innovative and practical audio/video devices that incorporate our RCA over CAT5e/RJ45 system.

With the low price of CAT5e, our extensive supply of RCA products, and knowledgeable staff, we have the tools you need to get you on your way.

## RCA CABLES

### **Component Audio & Video Cable**

SKU: RCA5AV

LENGTHS: 6ft, 12ft, 25ft, 35ft, 50ft, 100ft  
CONNECTION: MALE TO MALE

With our RCA cable with color-coded gold connectors, you can connect to any HDTV device with RCA port with ease. It has braid shielding to prevent electrical interference and shielded coax conductors for accurate high definition video component connections.

## HDTV COMPONENT VIDEO

### **3RCA Single-CAT5e/RJ45 Extender Kit**

SKU: RCA3V-C5E

Extends component video up to 92 meters (300ft) using CAT5e/RJ45 cable. Features 110-type rear punchdown connector and bi-directional extenders for fail-safe in-wall installations.

Component video provides Y/Pb/Pr 1080i @ 164ft & 720p @ 246ft for HDTV.

Includes decora-style extender pair, mounting wallplates & screws.

## **Composite Video or Digital Audio Cable**

SKU: RCA1V

LENGTHS: 6ft, 12ft, 25ft, 35ft, 50ft, 100ft  
CONNECTION: MALE TO MALE

With our RCA cable with color-coded gold connectors, you can connect to any HDTV device with composite video or digital audio connector. It has braid shielding to prevent electrical interference and shielded coax conductors for maximum audio performance.

## COMPOSITE VIDEO WITH STEREO AUDIO

### **3RCA Single-CAT5e/RJ45 Extender Kit**

SKU: RCA3AV-C5E

Extends composite video and audio up to 92 meters (300ft) using CAT5e/RJ45 cable. Features 110-type rear punchdown connector and bi-directional extenders for fail-safe in-wall installations.

Composite video provides 100ohm while stereo audio has unbalanced 600ohm impedance.

Includes decora-style extender pair, mounting wallplates & screws.
